Seachtaine na Gaeilge

Hi my name is Laura Cooney and I am doing a report on Seachtaine na Gaeilge. Seachtaine na Gaeilge is a week where you do things to do with Irish. My school (Boston N.S.) performed a play 'cochalin dearg' which in English is red riding hood. My class were in the play. Bella was the wolf, Meadhbh was riding hood, Rebecca was the mother, Gustavo was the father, Annie was the grandma, Laura (me), Nathan, David and Richard were narrators. Everyone worked hard on the play trying to learn their lines.

Fiddler on the Roof

On Wednesday the 21st of Jan we went to see 'Fiddler on the roof' by Gort Community School.

Rebecca and I were there first at around 9.00 am, then

the rest of the school came.

The show was based on 'Love' and moving away. Everyone loved the show especially me, because I went every night! After that we went back to school.

Food Dudes

Boston N.S. is taking part in the Food Dudes programme. The Food dude programme is to encourage children to eat more fruit and vegetables. If you eat a portion of fruit and vegetables you get a food dudes sticker or an awesome prize such as colouring pencils or juggling balls. We also get to watch food dude DVDs. Our favourite fruit is apples and our favourite vegetable is carrots. Let's do it Dudes.

We celebrated Pancake Tuesday.

I was excited to eat the pancakes. I love to eat them.

I hope people that didn't eat pancakes had a nice day. You can put syrup on your pancakes or sugar or lemon. My class made pancakes in the kitchen.

Catholic school's week

On Monday the 26-01-15 it was Catholic School's Week. Catholic School's Week is a week to remember that we are all Catholics. In school we all had some worksheets and we worked on them.

On Tuesday the priest, Father Nohilly, came to our school to talk about the week.

On Wednesday it was Grandparents Day. We all were going to help our Grandparents with jobs that they might not be able to do. Some people do not have any Grandparents so they could bring flowers to their grave.
