### Fáilte!

It is great to see you all again! We hope you are settling in and as glad as we are to be back. We have been busy and the senior room want to share some of our news with you.

### Back to School

On the 1<sup>st</sup> of September '21 we came back to school after the summer holidays. There are three new junior infants. Their names are Beth, Alex and Mícheál. They are settling in well. (Eimear)

### Rules

Respect is our main rule. To be respectful you must be kind and listen at all times. We follow covid rules. Other rules are; no hitting people, no bullying and bring a healthy lunch and drink. (Nickolas)

### Ms. Lee & Ms. Coughlan

In the summer Ms Lee had a baby girl called Aria. She came into the school for a few minutes and we all saw her baby.

Miss Coughlan came to teach us. She also goes to Kilnaboy. She is very nice!

(Eva Jaffray & Gabrielly)

### Pedestrian Crossing

The council is making a pedestrian crossing. It will be there for the safety of the children. Hopefully the cars will slow down. It will be from the school to the carpark. (Olivia)

### Extension

A few days before we got our Summer Holidays, construction on the extension started. So far, all the block work is finished and the roof is on and fully slated.

The builders are waiting on the windows to be delivered and then they can put the windows in and then the plasterers, plumbers, carpenters and electricians can do their jobs, finish and tidy up. We hope that it will be done by Easter. (Joseph & Aidan)

### Visitor from The Netherlands

A couple of weeks ago a woman named Caren visited the school. She brought some treats with called Stroopwaffles. When she visited we found out that she has been visiting Boston for sixty years and owns a holiday home down the road from the school. She has since returned to The Netherlands. (Ryan)

### **Blackberry Picking**

On Wednesday we went blackberry picking. We picked a lot of blackberries. On Thursday Miss Doherty had made blackberry crumble and some blackberry jam for the school. We all enjoyed the crumble with a cup of tea.

### **Yoga**

Colette is a yoga teacher who came to us for 3 Fridays. She lives in Corofin. Her business is called Cetz. Her classes are very fun and relaxing. We hope to invite her back later this year. (Cairín)

### **Active Schools**

This year we will be trying to be more active and keep the active flag. We will focus on games this year. (Moya)

### **David Walliams**

On the 20<sup>th</sup> we saw an interview with David Walliams on Zoom. It was organised by the Educational Support Centres of Ireland. It lasted about forty minutes David answered lots of questions from children from schools all around Ireland. (Gabriel)

### **Confirmation**

Congratulations to Róisín and Kieran who made their confirmation on the 8<sup>th</sup> of September. We wish Róisín, Kieran and Imogen the best of luck in GCS. (Aishling)

### **Green Schools**

This year the Green flag theme is "Travel". We will make a big effort to "Walk on Wednesday"(W.O.W.). This means that every Wednesday we will walk from the crossroads by the Castle to school. We begin our W.O.W. this Wednesday, 29<sup>th</sup> of September. The bus driver will drop the children at the crossroads and the teachers will meet them there. (Vitor)

### **Christmas Cards**

Last year we designed Christmas cards and had them printed professionally. We sold them to our parents to raise money for our school library. We will do the same this year to raise money for nice things. (Isla)

### **Parents' Association**

The parents association will meet soon to discuss things for the school. They will also be electing a new secretary. We hope to see lots of parents there. We will send you an invitation by text. (David)
