Christmas Production

The Junior Room has been very busy. They learned new songs and tunes on the hand bells for the Christmas production. They also learned their lines for the play. After decorating their room like a Winter Wonderland they recorded all this for you and your families to enjoy. Kathellyn

Over the past few weeks the senior room pupils have been working on a Christmas play. We have been very busy writing, rehearsing, designing and constructing the set, designing costumes, learning lines, acting and face painting. We had intended to sing and play the tin whistle also but because of Covid we had to put that to one side until we can do it again. Isla

We hope you all enjoy the production that the children have worked so hard to put together. We are very proud of them and think you will be too. Áine, Ruth & Aleisha

Treats

The Senior Room pupils have put on their elf hats and have prepared some treats to go home with the Christmas production. We hope you enjoy them and the show. Aishling & Julie

Christmas Production

The Junior Room has been very busy. They learned new songs and tunes on the hand bells for the Christmas production. They also learned their lines for the play. After decorating their room like a Winter Wonderland they recorded all this for you and your families to enjoy. Kathellyn

Over the past few weeks the senior room pupils have been working on a Christmas play. We have been very busy writing, rehearsing, designing and constructing the set, designing costumes, learning lines, acting and face painting. We had intended to sing and play the tin whistle also but because of Covid we had to put that to one side until we can do it again. Isla

We hope you all enjoy the production that the children have worked so hard to put together. We are very proud of them and think you will be too. Áine, Ruth & Aleisha

Treats

The Senior Room pupils have put on their elf hats and have prepared some treats to go home with the Christmas production. We hope you enjoy them and the show. Aishling & Julie

Christmas Production

The Junior Room has been very busy. They learned new songs and tunes on the hand bells for the Christmas production. They also learned their lines for the play. After decorating their room like a Winter Wonderland they recorded all this for you and your families to enjoy. Kathellyn

Over the past few weeks the senior room pupils have been working on a Christmas play. We have been very busy writing, rehearsing, designing and constructing the set, designing costumes, learning lines, acting and face painting. We had intended to sing and play the tin whistle also but because of Covid we had to put that to one side until we can do it again. Isla

We hope you all enjoy the production that the children have worked so hard to put together. We are very proud of them and think you will be too. Áine, Ruth & Aleisha

Treats

The Senior Room pupils have put on their elf hats and have prepared some treats to go home with the Christmas production. We hope you enjoy them and the show. Aishling & Julie

Pedestrian Crossing

The pedestrian crossing was completed yesterday. The tarring company shaved the surface of the road and then they lay new tar on the road. New lights were installed. We are hoping to see them lit up soon and look forward to crossing safely. Aidan

Silly/Christmas Jumper Day

On Friday the 10th of December we had a fundraiser for the Children's Health Foundation. We raised €122 by wearing Christmas/Silly Jumpers. The money we raised will be going to provide services for the children who attend Crumlin Hospital, Tallaght Hospital, and Temple St. Hospital.
