Hi everyone,

It's been a very busy few months and we haven't had a chance to write our newsletter for a while. We hope you enjoy reading all our news and you all have a great summer break when the time comes.

Pupils of the Senior Room

The Extension

In the coming days the builders will start preparing for our new extension which will be as big as the existing school. The builders will be fencing of part of the field to let the trucks enter and exit safely.

The builders will make a different entrance to the pitch for us by cutting through of the wall. After that they will move the wash station and the oil tank, so they can demolish M.S Lee's room and the old boiler room.

The time frame for the extension is supposed to be nine months. We hope the building will be closed in before we return from our Summer Holidays on the 1st of September. Cairínn, Ryan & Joseph

Monster Quiz

On the 14th of May the senior room took part of the Credit Union Monster Quiz. It was presented by Today FM's DJ, Fergal Darcy. We went into groups of four or five. It was very interesting. Two teams that tied at 18 points but Ms. Doherty gave sweets to everyone. Aishling

The Mouse

A mouse came into the school on the day of the Credit Union Quiz on the 14th of May. A lot of students ran out of the room including Ms. Doherty! But Gabriel, Joseph and Aidan rescued the mouse and released it into the field in a Santa hat. David

Tests

Last week every pupil from 1st class to 6th class did standardised tests in Maths and English. Róisín

Hurling

We have had 4 weeks of hurling coaching. Our school has been enjoying playing hurling and some people play outside of school. Our coach is called Peter. Peter does hurling in lots of schools in Clare. He brings hurleys and balls with him but people can bring their own. He does fun games with the cones. We love doing it every Wednesday. On the 24th May Tubber Tigers had a launch party and all the people who joined hurling celebrated. Training takes place in Tubber on Tuesday evenings. Darcy & Aidan

Incredible Edibles

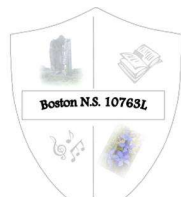

During lockdown we were doing Incredible Edibles. Ms. Doherty sent us some vegetable

seeds so we could plant them at home after we returned to school we planted potatoes, strawberries and flowers. We also did the innocent big grow we all had a choice to plant peas, spinach, salad leaves or beetroot. We set our carrot seeds late, as the weather had been too cold and they are just beginning to grow now. Kathellyn

School Tour

On the 8th of June the whole school will be going to the Burren Farm Experience. The activities will be split into 3 parts; a fairy trail, taking care of the animals and learning about biodiversity. There will also be a picnic. I am looking forward to taking care of the animals the most.

For our tour we will be need sunscreen, a raincoat, a picnic and suitable clothing. We were meant to go last year but Covid restrictions stopped it. Everyone is excited to go and it will be a lot of fun. Eimear & Kieran

School Inspection

On Tuesday 1st of June Boston National School had an inspector come to the school to see if we were following the Covid guidelines. She was very happy with us. We were relieved.

Vets in the Junior Room

The pupils in the Junior Room are learning all about being a vet. They brought in stuffed animals and role-played check-ups, administering medicine and lots more. Julie

Zara who owns "The Ultimate Dream Machine" is teaching us drama on Tuesdays and Thursdays for 1 month. 3rd and 4th class have a session and so do 5th and 6th. The classes last 1 hour and we do them twice a week on Zoom because of the corona virus. We do lots of different exercises to warm up the body, and we are looking forward to our next session with Zara. Eva Jaffray

Active School Week

We will have our Active School week during our last week of term 21st-25th of June. We will have lots of activities and hope to finally raise our Active Flag. All we need now is sunshine.

Long weekend

On Friday the 4th June we have an extra long weekend from Friday to the Monday, we hope the weather will be nice and everyone will enjoy it. Imogen

Thank you

A huge thank you to our wonderful school community; teachers, cleaner, secretary, Board of Management, parents and neighbours for your continued support.

Summer Holidays

On the 25th of June we will get our summer holidays 12.30. We will return to school on the 1st of September. Conor
