Witches' Walk

We had a Witches' Walk on the last day in school before Halloween. We all dressed up in our Halloween clothes and walked to the castle and back. On our way we got sweets, crisps and chocolate. Afterwards we got Hot chocolate. The Witches' Walk raised an amazing amount of money for the school. The school got over a €1000 from all the sponsorship. First prize was €50 and the winners kindly donated it back to the school. Ms. Doherty ordered new goals and balls for the school with some of the money from the Witch's Walk. Vitor, Kathellyn and David

Picker Pals

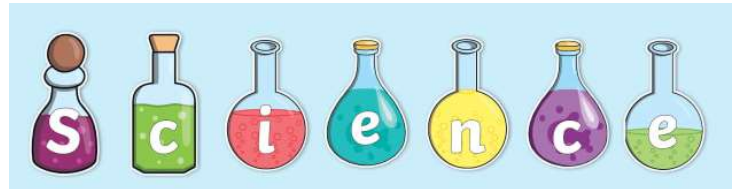

Our Junior Room are saving the planet! They are involved in a project called Picker Pals. Each weekend one of them brings the class Picker Pack home and has a week to gather rubbish in their environment. Keep an eye out for our Picker Pals and the great work they're doing.

Science Week

Science Week was from the 8-12 November. Everyone did different experiments in groups of three. Nickolas, Vitor and I made something called a Different Drum. Conor Last Friday we did the marshmallow challenge and the first to make the tallest tower won.

We could only use 20 sticks of pasta, 1 meter of tape and 1 meter of string. It was great fun Nickolas

During science week we did a science experiment to show that liquid can turn into a solid when heat is applied. The liquid we chose was pancake batter and we all had pancakes! Ms. Doherty brought in toppings for the pancakes like sauce, chocolate and sprinkles. We ate all of them. They were very good. We had lots of fun during Science Week. Gabrielly The Junior Room did experiments during Science week that involved making bubbles. They discovered that a drop of honey will make the bubbles last longer, that bubbles will burst on a surface unless you put bubble mixture on it and that you can blow bubbles inside each other using a straw. Fionn managed to blow 5 inside each other. They also designed their own helpful robots. Cairínn

November Newsletter 2021

Christmas Cards

Every child in the school designed a Christmas card. Members of the children's families and community ordered the cards. We sold 84 packs. This raised €420 for our school. Eimear

Christmas Annuals have been ordered. they will arrive in the coming weeks, in time for Christmas. Eva

Silly/Christmas Jumper Day

On Friday the 10th of December we will be having a Silly Jumper Day. You can wear a Christmas Jumper, a silly jumper that you have at home or you can even design your own. You will have to bring in a small donation for children's hospitals across the country. You can also donate online

@<https://www.justgiving.com/campaign/CJD2021> Isla

Swimming

On the 7th of January we will be going swimming. We are taking the bus, The swimming will take place in the Lady Gregory Hotel in Gort. It will cost €45 per child. Julie

W.O.W.

As part of the Green School and Active Schools programme we have been walking from the crossroads beside Cloondoon Castle up to the school every Wednesday. Joseph

Pedestrian Crossing

Our pedestrian crossing is nearly finished with only the lights to be put in. Then they will open our new gate. Ryan

Christmas Show

Boston National School we will be doing a Christmas play which will be filmed. The video link will be sent to the parents for us to watch. Because of the pandemic we cannot do it in the church. We will be doing singing, music and other stuff. Aishling

The senior room has written a play collaboratively with the help of lots of jokes and laughter and Ms. Doherty of course. Gabriel

The Late Late Toy Show

The most magical night of the year is here. Tonight the Late Late Toy Show is on. Kids stay up and watch it all over the world. You get to see all the wonderful toys and kids perform. Olivia

Last Day of Term

The 22nd of December is the last day of our first term. We will finish @ 12 noon and return on the 6th of January 2021.
