Fáilte!

It is great to see you all again! We hope you are settling in and as glad as we are to be back. We have been busy and the senior room want to share some of our news with you.

Rules

Our main rule in Boston N.S. is RESPECT. If we show respect our days will be nice.

Our **Covid Rules** are:

- 1) Wash and sanitise regularly
- 2) Cough and sneeze in your elbow
- 3) Social distancing (Gabriel, 5th)

Lunch

At Boston N.S we try to be as healthy as we can. That is why we have a healthy eating policy. Water and milk are allowed as a drink - juice is not allowed. If your child forgets his/her lunch do not worry about dropping it in. There will always be some crackers, cheese or fruit. We have disposable cups for water too. (Eva, 5th)
A treat on Friday can be a small chocolate bar, popcorn, Muller-style yogurt or some jellies. Too many sweets are bad for you and your teeth. (Aishling, 3rd)

Uniform

Use PE clothes on Monday, Wednesday and Friday. Use normal uniform on Tuesday and Thursday. (Aidan, 4th)

Confirmation

On the 8th of August 2020 the sixth class students of Boston National School made their Confirmation in Tubber Church. James, Arthur, Daniel and Saoirse are now in secondary school. We hope they have a great time. (Cairinn, 5th)

Communion

On Saturday the 12th of Sept. third class made their Holy Communion, in Boston Church. It was a lovely day. The people who made their Communion were Aishling, Conor, Eimear, Isla and Julie. (Conor, 3rd)

Local History

On the first week of school we went on a walk to the famine road. We saw cows, frogs, horses and new foals. We noticed that the blackberry were almost ripe to pick. It was nice to go outside to get fresh air. (Gabrielly, 4th)

On the 14th of September we went to Cloon Doon Castle for history. We went up behind the castle and we saw up to the top. Ms Lee told us all a lot about the castle. Joseph told us some more. (Kieran, 6th)

Roald Dahl

Roald Dahl's Birthday is on the 13th of September. We are reading one of his popular books "The Witches". When we finish we will watch the movie. (Olivia, 4th)

Blackberry Picking

Boston NS went blackberry picking on the Famine Road. Before leaving the children got a tub and off we went. Nearly everybody filled their tub and some of the children came back with black hands and mouths!! (Isla, 3rd)

After picking blackberries, Ms Doherty made jam for us using only sugar and blackberries. At break we had some of the jam with crackers. In the afternoon we ate cake that Ms Doherty made for the communion class. (Martina, 6th)

Active Schools

During lockdown Boston school had a zoom meeting. We were happy to see everyone. We did a scavenger hunt. The teachers would call out some random thing and we would get it. We talked about all the stuff we did during lockdown and it was Active Home Week so we did loads of games. (Moya, 5th)

All the children run around the school 3 times a day. By doing this we are aiming to run around Co.Clare. (Nickolas, 3rd)

We will all take part in National Fitness Day this Thursday the 24th of Sept.

Seesaw

Seesaw is an app/website where your child/ren can show their work to the teachers and the teachers can share with the class. We will be using this in class and at home too! (Julie, 3rd)

Our Facebook Page

As some of you might know we have set up our Facebook page. We will share lots of photos of things we do around the school. We already have lots of photos up of our activities. So check us out Boston National School on Facebook. (Róisín, 6th)

Green Schools

This year the Green flag theme is travel. Children are doing power points on travel. We are having a slogan competition - every child is creating a slogan about walking or cycling instead of using a car. This year we achieved the Green flag for saving water. (Eimear, 3rd)

Friends for Life

This year the students from 3rd-6th class are doing a programme called friends for life to learn how to respect their friends and their choices. (David, 5th)

Appointments

If you would like to speak with a teacher please make an appointment by calling 091 633211, Text 087-1617983 or Email bostonns@gmail.com Please make sure to wear a mask before entering and use hand-sanitiser provided. (Kathellyn, 5th)

Thank you all for your continued support. We look forward to a great school year!
Áine Ní Dhochartaigh
